TECU's 77th AGM

On Friday April 8th, 2016 the Energy Credit Union held it's 77th Annual General meeting. There were 111 attendees comprising of 106 members and 5 guests. Guests included Bob Edmison from DICO, Joe Bates from MNP, Rick Belsby from Rick Belsby & Associates, Maggie Alladina from CRI and Julian Foreman from Ronald McDonald House—Toronto. The meeting commenced with our own Janine Tripodi singing the national anthem and Director Sandy Scott reading the tribute to those members who passed in 2015. Our audited financial statements were presented to the membership and the external auditors were selected for next year. Awards were presented to Gosha Kosakowska, Charmaine Coy each for 5 years of service and Sandy Scott for 27 years of service to the board. Joe Bonello addressed the meeting attendees and touched upon all the ways the Energy CU makes our members feel loved. One story he shared was of a member who had lost her purse while on vacation overseas. With one phone call to the Credit Union we were able to cancel her lost ATM card, send a replacement ATM card to her and also provided a few customer service contact numbers so she could begin the task of replacing all her other lost cards and documents. This allowed our member to have access to much needed funds when she needed it the most. We also heard from Julian Foreman from Ronald McDonald House—Toronto. Julian said a few words of thanks to the Energy CU for its generous donations from our Golf day raffle. He let us know that our contributions over the years have allowed one family to have almost 30 days stay at the house. Keeping families together while a sick child gets life saving medical care. He then showed a heart touching video to the membership. The meeting was followed by a delicious buffet dinner and many wonderful door prizes. One MAJOR announcement was also declared at the AGM. **The board declared that dividend would be issued on all CU shares in the amount of 3.65%!! Have you checked your account yet?**
