Do you need Photo ID?

Ontario introduced a new photo card that will provide government issued identification to more than 1.5 million Ontarians who do not drive.

An Ontario photo card is government-issued photo identification that allows non-drivers aged 16 years and over to access government, financial or business services that require proof of identity, such as cashing a cheque, opening a new bank account, obtaining a credit card, boarding a domestic flight, returning merchandise to a store, obtaining hotel accommodations and renting a home video. For more information please visit the government of Ontario's website at www.ontario.ca

Eco-Tips

When one ton of plastic bags is reused or recycled, the energy equivalent of 11 barrels of oil is saved! By bringing your own bag to the grocery store, you can save thousands of plastic bags from ending up in landfills, or even worse in ecosystems where they can harm living creatures.
