TECU Eco-tips - Use cloth bags when shopping. Plastic bags wind up in landfills and take thousands of years to biodegrade. Nowadays, many grocery stores also charge for plastic bags. Do your part to reduce waste, and save a few dollars, by remembering to bring re-usable cloth bags with you to the grocery store, pharmacy and on other shopping trips.

Cobourg's Most Famous People - Travel east to the community of Cobourg on this interesting spring day tour. Here we will be met by Tour Director and Historian Peter Brotherhood, who will board our coach and tell us about the lives of some of Cobourg's most influential and famous citizens of the past: Academy Award winning actress Marie Dressler; Anglican Bishop Alexander Bethune; education pioneer Egerton Ryerson; Father of Confederation and first Speaker of the House James Cockburn; and Sir Sanford Fleming: Chief Surveyor for the C.P.R., designer of Canada's first postal stamp, and inventor of the world's "Standard Time." An included Buffet Luncheon is enjoyed at the Woodlawn Inn during your great day away, along with tours of the new Cook-Sifton Heritage Centre, Victoria Hall, and more! Note: a short stop will be made enroute home for refreshments on your own. **Infinite/Preferred Members can join us for only \$85 and Essential Members for \$105** If you would like to upgrade your membership or book your spot on the trip, call our offices today at 416-542-2522. "Twenty years from now you will be more disappointed by the things that you didn't do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover." - Mark Twain
