Mobile Banking— Are you connected?

TECU Mobile Banking allows our members access to their accounts anytime and from anywhere. Financial transaction history and balances can be sent via text message to your phone.

It's a great way to quickly check the status of your credit union account. A quick text message lets you know your balances or the last few transactions of your CU account. Mobile Web Banking is allowing our members to complete everyday banking transactions on many internet-enabled devices including iPhone® and BlackBerry®2 smartphones. You must be registered for TECU's online CyberBanker to access TECU Mobile Banking and Web Banking. Please be aware that standard text messaging rates will apply. If you need to register give our offices a call at 416-542-2522.

Tech Tips -

Use Strong Passwords. Use different user ID / password combinations for different accounts and avoid writing them down. Make the passwords more complicated by combining letters, numbers, special characters (minimum 10 characters in total) and change them on a regular basis.

Did you know that Energy CU members can send funds from person to person through Western Union. If you frequently send money with Western Union, enroll in the Preferred Customer Plus program and reward yourself. As a PCP member you can send money more quickly, often without filling out forms. You also could be eligible for discounts on transactions. Maybe it's a family member in need overseas or that bill that needs to be paid right away. It's quick, easy and secure. Contact us for more details at 416-542-2522.

Attention members!

Please make sure you are aware of how to make your account qualify for free transactions! We audit our accounts on an ongoing basis so make sure you aren't surprised. For more information please contact our offices at 416-542-2522 or visit our website.

Energy Eco-tip -

Have A garage sale to help recycle your unwanted items. Someone's trash is another's treasure.

"Here's to the crazy ones, the misfits, the rebels, the troublemakers, the round pegs in the square holes... the ones who see things differently -- they're not fond of rules... You can quote them, disagree with them, glorify or vilify them, but the only thing you can't do is ignore them because they change things... they push the human race forward, and while some may see them as the crazy ones, we see genius, because the ones who are crazy enough to think that they can change the world, are the ones who do."

-Steve Jobs
