TEUCU GOLF DAY!

TEUCU had a record number of registered golfers at our 15th Annual Golf Tournament (In Memory of Terry Godfrey) on August 10, 2009. Despite inclement weather, our 148 registered golfers enjoyed a day of fun, fellowship and helping those in need. A Fifty-Fifty Draw was held to benefit the United Way, and a Raffle was held to benefit the Toronto's Ronald McDonald House. Participants enjoyed a scrumptious meal and a chance to win one of many great prizes donated by TEUCU and our many valued prize sponsors (Comprehensive Benefit Solutions, Concentra Financial, The Co-Operators, CRI, CUETS, Doxim Inc., Geoffrey Cauchi LL.B., The Graphix Works, Ladies Golf Club of Toronto c/o Sarah Smurlick, Level Five, Nigel Watson B.A. LL.B., The Personal Insurance Company, Retford Lane Bates LLP Chartered Accountants, Stanley Security Solutions, Toronto Hydro Electric System and Triumvirate Marketing Group). As always our generous hole sponsors are greatly appreciated (Central1, CRI, CUPE Local 1, CUPE Local 2, Infonancial Software Inc., The Personal Insurance Company, Retford Lane Bates LLP Chartered Accountant, Toronto Hydro Electric System and Toronto Hydro Club) Special thanks goes out to our emcee, John Dolby and special appreciation to Greg Hartley for all of the time and hard work he devotes to help make our golf day spectacular! We would also like to thank everyone else who participated to make our day great! For those who missed out this year, please mark your calendars! The TEUCU 16th Annual Golf Day (In Memory of Terry Godfrey) will be held on August 9th 2010 , cost TBA.

**Congratulations Vanessa Venton,
Winner of TEUCU 2009 \$1,000.00
Essential Life Skills Grant!**

Although it was a difficult decision for our selection committee again this year, Vanessa's application best embodied the spirit, determination and passion of youth today. Vanessa's ambition is to be a lawyer and one day have her own law firm.

The two TEUCU 2009 \$500.00 MySelf Optimizer Grants were awarded to **Brittany Reynolds** and **Adriano Nicolucci**, respectively.

Brittany has declared African Studies as her major at McGill University and plans in part to do humanitarian work overseas.

Adriano plans to further his education at Ryerson to "help create a better and cleaner environment for future generations to come". We

wish all our award recipients the best of luck for their future endeavours!

We want to thank all of the applicants who applied this year and encourage you all to apply again next year! Please visit www.teucu.com for pictures!

Eco-tip

When you cook on the stove, a massive amount of energy is wasted through the top of the pan if you cook with the lid off. Not only does cooking with the lid on reduce your energy consumption, but it speeds up the cooking process too, so everyone is a winner. The lid also stops the flavours of sauces escaping, and stops your kitchen steaming up which can cause dampness.
